C PEN Reader and Exam Reader Order Form

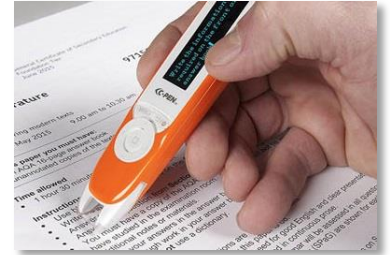

C Pen Reader:

- It should be treated as a READING AID not as a tool to read large amount of text
- Would recommend for use for those 9 years and older
- Is NOT suitable for children with bad motor skills
- All text scanned can be stored – quotes can be uploaded to the computer
- Maths symbols can't be read
- Has a Dictaphone with voice memo – i.e. can talk about homework to do
- It will only read normal print – with fonts 6pt to 22pt. It will NOT read handwriting or Lucinda font.
- Has a life of 8 hours continuous use
- Built in speaker through head phones
- You can get French, Spanish, German and Italian dictionaries.
- Further reading: www.readerpen.com

C-Pen Exam Reader:

- Is the reader ONLY – it doesn't have any dictionary etc.
- It is Orange, so it can stand out
- C Pen Exam Reader is not recommended for Chemistry and Maths
- Is International Baccalaureate approved
- NESAs will take into consideration the special provisions of this assistive technology. It will depend on the application.
