## How SPELD NSW can help your school

Advancing the education and wellbeing of children and adults with specific learning difficulties in NSW for 50 years

“

It is estimated that between 5% - 10% of the population have dyslexia. That means that there is on average between **1 and 3 students in EVERY classroom** in NSW with dyslexia.

## Online Bookstore

- Decodable readers
- C-Pens
- Phonemic Awareness Kits
- Understanding Learning Difficulties Guides
- Literacy and numeracy resources

SPELD NSW members receive discounts on decodable readers and C-Pens.

- ▶ **ORDER** online
- ✉ **INVOICE** emailed to your school
- ✓ **PAY** later

SPELD NSW can visit your school to demonstrate decodable readers to your teachers or loan you a sample pack of decodable books to consider.

## Decodable Reader Packs

We have put together packs of decodable readers especially designed for classroom use and learning support teams. These packs are a great way to provide your students with resources to practise decoding and other phonics skills.

## Resources Catalogue

Please email us to request resources catalogues or parent information flyers be sent to your school.

## SPELD NSW Membership

Membership gives you discounts on professional development and purchases online. Membership is available for schools, individuals, tutors and professionals.

Members receive access to the SPELD NSW Members Library and online resources.

Your membership allows us to support more children and adults with specific learning difficulties.

## Assessments

From 2019, SPELD NSW will offer psychological assessments of children, adolescents and adults to identify their learning strengths and weaknesses and if they have an identifiable learning disorder.

## Advocacy and Information

SPELD NSW acts as an advocate for students with specific learning difficulties and their families, teachers and schools.

## Professional Development

- ✓ **NESA APPROVED**
- ✓ **SPELD NSW Member Discounts**

SPELD NSW professional development includes evidence-based literacy and numeracy programs and best practice approaches to teach and support students with specific learning difficulties like dyslexia.

SPELD NSW also provides parent workshops and information evenings.

## Teachers Certificate Course

This annual certificate course provides specialist training for teachers of students with specific learning difficulties. It addresses reading, spelling, comprehension, numeracy and more.

**Early bookings recommended.**

## In-school Workshops

SPELD NSW can visit your school to deliver professional development for your teachers and seminars for your parents and carers on understanding, supporting and teaching students with learning difficulties.
